

OUR MANAGEMENT PHILOSOPHY

Management Principle:

“Enriching Society by Thrilling and Entertaining the Public.”

The Aims of the Tokyo Dome Group:

TOKYO DOME CORPORATION’s management principle is “enriching society by thrilling and entertaining the public.”

In accordance with this principle, we consider it our mission to expand the frontier of urban leisure entertainment to thrill and delight as many people as possible, and over the years have continually taken the lead in providing a wide range of leisure facilities and services. Moving ever onward, TOKYO DOME CORPORATION will continue to break new ground as a leading company in the field of leisure services.
